

NEW  
**RENAULT DUSTER**  
153 hp

# leave it all behind

with its Turbo TCe EDC 153 hp engine, openR 10.1" multimedia screen, interior space, and 9 advanced driver-assistance systems, new Renault Duster embodies the powerful next-generation SUV.

A spacious cabin designed for the comfort of the driver and all passengers. And for more practicality, YouClip, an ingenious and versatile fastening system to easily hang your belongings.

<b>Turbo TCe EDC 153 hp</b>	<b>10.1" openR multimedia screen with smartphone replication</b>	<b>up to 9 advanced driver-assistance systems</b>
<b>up to 8 YouClip anchor points</b>	<b>up to 542 L of boot volume</b>	<b>improved off road capabilities</b>

## assertive suv design

**A strong identity with its Renault branded grille, a bold silhouette adorned with protective materials, 18" diamond cut alloy wheels and enhancing wheels. Power combines with elegance in a unique way.**

**The rear adopts a powerful style centered around the new Renault emblem. Its assertive light signature and roof spoiler underline its dynamic character.**

**Designed to venture off the beaten path, the new Renault Duster adopts side protections and wheel arches that prioritize recycled materials. The high ground clearance of 209 mm asserts its sporty suv personality.**

## 02. interior experience

# explore your comfort zone

True pleasure on every journey with its completely redesigned interior, well-sized space for you and your passengers, and its comfort enhanced with the latest technologies. The driver-oriented high console puts the e-shifter with automatic gearbox at your fingertips to enjoy the best driving experience.

04. advanced driving assistance systems

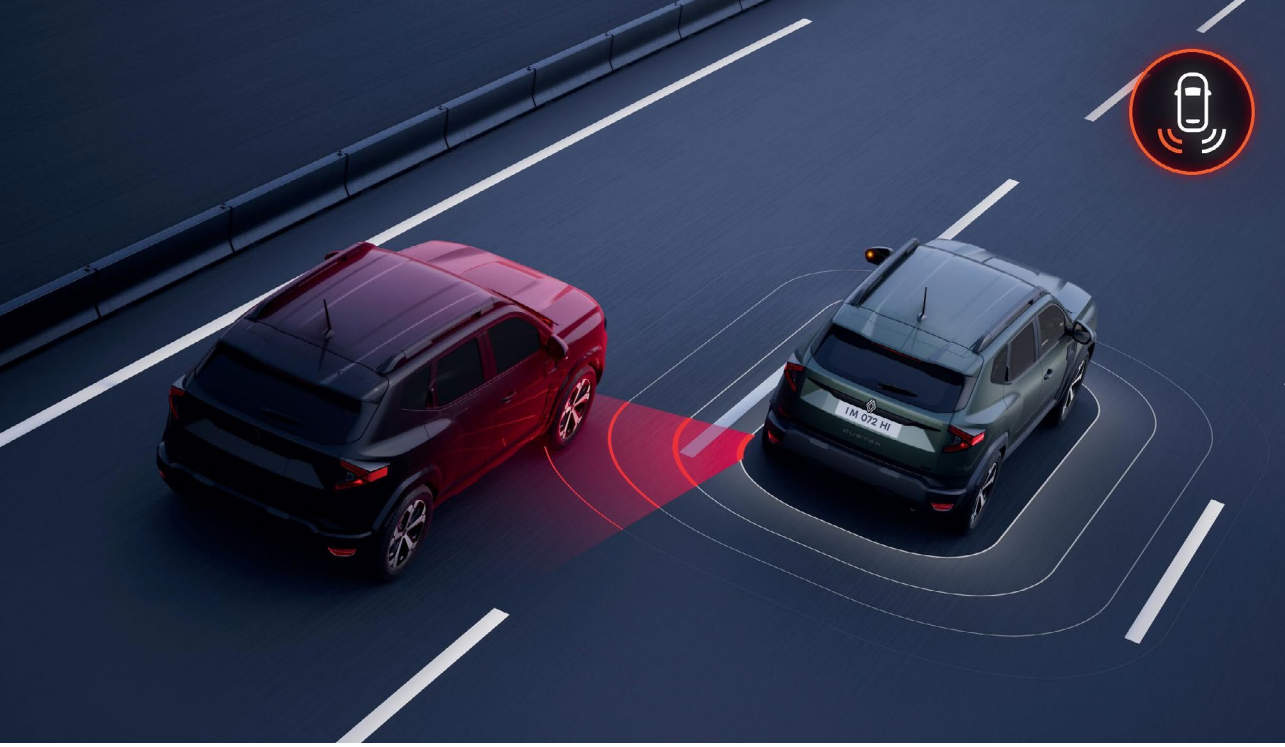

up to 9 advanced driver-assistance systems

**multiview camera**  
Get a specific view for easy maneuvering. New Renault Duster is fitted with 4 cameras to give you a view of everything around your vehicle.

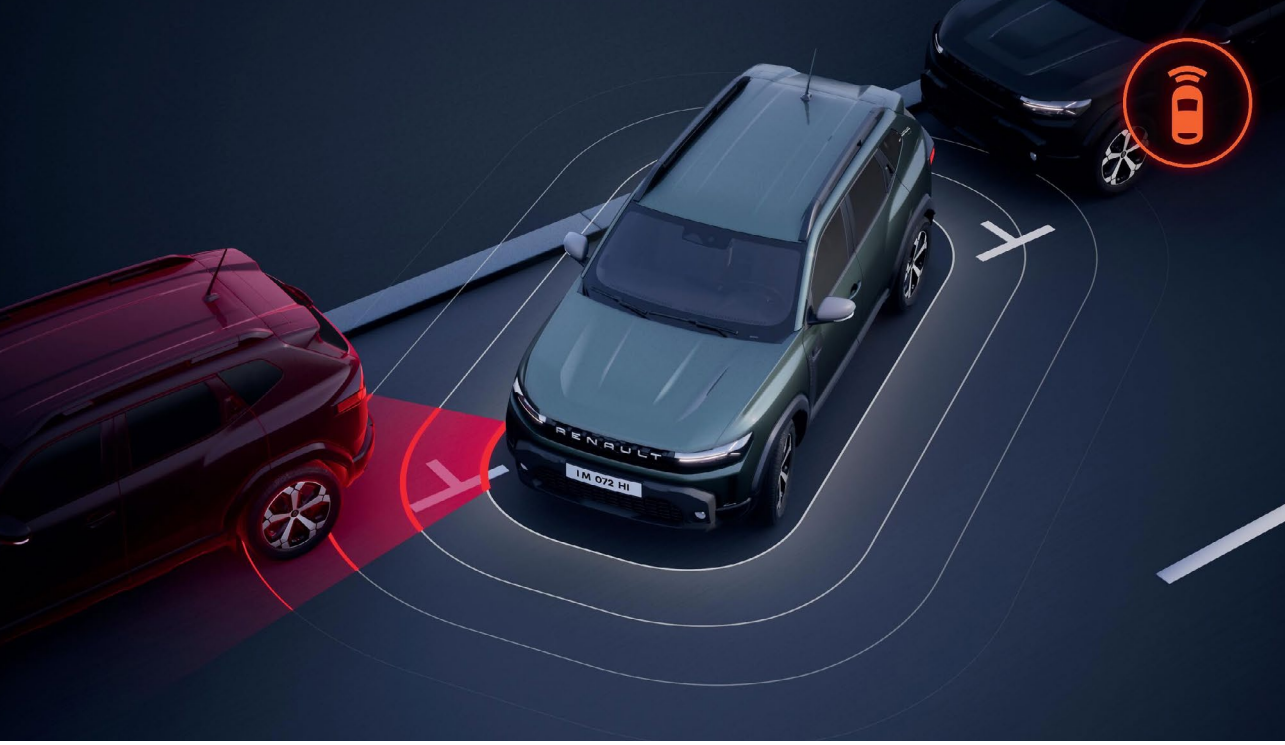

**cruise control & speed limiter**  
with cruise control, set your desired speed, and new Renault Duster will smoothly maintain it until you decide to brake while the speed limiter prevents exceeding a set maximum speed.

**blind spot warning**  
Active above 15 km/h, new Renault Duster visually alerts you when another vehicle or a pedestrian is detected in the vehicle's blind spot.

**hill start assist**  
For safe starting on hills of over 3%, new Renault Duster automatically maintains the brakes for 2 seconds as your foot moves from the brake pedal to the accelerator.

**front parking assist**  
new Renault Duster's front-facing sensors make manoeuvres easier with audible and visual warnings for any unseen obstacles.

**side park assist**  
Audio and visual signals alert you to obstacles or people beside new Renault Duster, as well as cars driving close to your side.

**the human first program  
is a comprehensive safety  
program developed by Renault  
in collaboration with researchers,  
experts and fire-fighters.**

**because road safety is the business  
of all road users - be they pedestrians,  
cyclists or motorists - the human first  
program by Renault undertakes to:**

- 1. prevent accidents by developing safety equipment  
and advanced driving and safety assistance systems**  
  
up to 32 advanced driving assistance systems / more than  
60 safety systems, up to 7 airbags, child seats (Isofix), Renault's  
Fixe4sure solution / more than 2,000 safety-related patents  
filed since 1970
- 2. manage accidents once they have happened by drawing  
on innovations developed in collaboration with fire-fighters**  
  
QRescue / Fireman Access / more than 5,000 fire-fighters  
trained over the past 10 years in 20 countries throughout  
the world / around 400 cars given per year for their training
- 3. reduce the number of accidents and their severity by investing  
massively in R&D**  
  
safety score / safety coach / connected services / big  
data / artificial intelligence and cybersecurity systems
